

Q3C(M)

PDE for N-Methylpyrrolidone (NMP)

Two mistyping corrections in calculation formula have been given on October 28, 2002.

Page 2 : for the first line, 99.3 for molecular weight was wrong.

Correct value is 99.13

and **608.16 mg/m³ = 0.608 mg/L**
(**not** 608.16 mg/m³ = 608.16 mg/L
as previously mentioned).
