

## **Dr. Rainer Fendt**

Dr. Fendt has been a board member of APIC since 2009.

He is currently Director of Global Quality Compliance at BASF's Nutrition & Health Division in Germany. He has almost 30 years of experience in the areas of Pharma Quality and Regulatory Affairs, primarily in relation to Active Pharmaceutical Ingredients (APIs).

From 1991 to 2014, he held senior positions at Knoll, Abbott International, and BASF, working e.g. in Analytical Development, Quality Assurance, and Regulatory & GMP Compliance.

His association work has been focused on standardization and harmonization, and he has been a key contributor to several Quality-related industry guidelines. Additionally, he is involved in compendial activities as an expert group member at the European Pharmacopoeia since 1998.

Dr. Fendt is a pharmacist by education and holds a Ph. D. in pharmaceutical chemistry from the Johann Wolfgang Goethe-University, Frankfurt, Germany.
