

Dr. Georgios Balkamos

Georgios is working in the pharmaceutical Unit in the European Commission (Unit B5 "Medicines: Policy, authorisations, monitoring") where he is in charge of international relations. He is dealing mainly with bilateral relations with non-EU partners on pharma and with ICH.

Before joining the pharmaceutical unit, he has worked for several years on various legislative and policy files of the Directorate General for Health and Food safety of the Commission (DG SANTE), notably in the area of food safety: enforcement, import controls, multilateral international relations.

Georgios Balkamos is a veterinarian by education and holds a Ph.D. in Veterinary Medicine from the Aristotle University of Thessaloniki (Greece).
