

Ms. Lenita Lindström-Gommers

Chair of the ICH Assembly, Lenita Lindström-Gommers works since several years in the pharmaceuticals Unit in the European Commission (Unit B5 "Medicines: Policy, authorisations, monitoring") where she is in charge of international relations. She is dealing mainly with ICH where she has actively contributed, as the representative of EC, Europe, to the work on reforming ICH.

In addition to international work, she has worked on various legislative files in the field of pharmaceuticals and held responsibilities for coordinating relations with the European Medicines Agency. Before joining the pharmaceuticals unit, she worked in the Directorate General for Competition (anti-trust) of the Commission.

Lenita Lindström-Gommers is a lawyer by education and holds a Master of Laws degree from the University of Helsinki, Finland.
