

Mr. David Churchward

David Churchward is a Pharmacist, having 13 years' experience as a GMP/GDP inspector within an EU Authority. He has led working groups responsible for developing EU inspection procedures, and participated in expert committees to revise international GMP guidelines.

In addition to being the PIC/S representative at the ICH Assembly, David is a member of the PIC/S sub-committee for GMP Harmonisation, PIC/S sub-committee for Strategic Development and co-chair of the PIC/S data integrity working group.
