

Dr. Samvel Azatyan

Dr. Samvel Azatyan is a clinical pharmacologist with a Ph.D. degree in clinical pharmacology and medicines regulation.

Since 1999 Dr Azatyan began his work at the European Regional Office of the WHO in Copenhagen, Denmark.

In 2000 Dr Azatyan has worked at the Center for Drug Evaluation and Research (CDER) of the FDA, US, as a seconded researcher, and in 2003 joined the WHO Headquarters in Geneva, Switzerland.

Currently Dr Azatyan is leading the Group on Regulatory Networks and Harmonization in the team of Regulatory Systems Strengthening (RSS) within the Department of Essential Medicines and Health Products. Most important areas of work for Regulatory Systems Strengthening Team include supporting and promoting regulatory cooperation and harmonization globally.
