Address: 61 Jinbao Street (Jinbao Jie), Dongcheng

District, Beijing, China Phone: +86 1058163388

Date:

18-19 May 2019

Language:

English and Chinese, with simultaneous interpretation.

Speakers:

Experts with experience from China, US, EU and Japan.

Proposed Participants:

Regulators, industry, research institute, etc. Globally open, mainly for Chinese.

Description:

The programme for this ICH M4 training workshop is an ICH Recognised Training Programme. CPA will hold the training workshop on ICH M4Q and regional administrative information. The objective is to contribute to the smooth implementation of ICH guidelines in China, standardize documents submission, improve review efficiency and improve the understanding of the ICH CTD & eTCD requirements. Workshop will invite experts with experience from US, EU and Japan, and share on the implementation experience of ICH M4 and M8, especially on ICH M4 (Q) and regional requirements for pharmaceuticals and biologics. It is free charge of registration for regulators.
